Bidders must state where the products offered have been made. City Council does not wish to see products used that have been made in factories in countries where children are used as slave labour or other exploitive circumstances, which impedes child development. Therefore, preference will be given to Bidders that obtain products from any country other than the aforementioned, but this criterion will not be used to disqualify any Bidder.

Bidders must state where the products offered have been made: _____ (Specify)

Bidders to state if products offered have been made in factories in countries where children are used as slave labour or other exploitive circumstances which impedes child development:

CONFLICT OF INTEREST/UNFAIR ADVANTAGE

- (1) In its Quotation, the Bidder must disclose to the City any potential conflict of interest that might compromise the performance of the work or which might reasonably compromise or provide the Bidder an unfair advantage in the bidding process. If such a conflict of interest does exist, the City may, at its discretion, refuse to consider the Quotation.
- (2) The Bidder must also disclose whether it is aware of any City employee, Council member or member of a City agency, board or commission or employee thereof having a financial interest in the Bidder and the nature of that interest. If such an interest exists or arises prior to the award on any contract, the City may, at its discretion, refuse to consider the Quotation or withhold the awarding of any contract to the Bidder until the matter is resolved to the City's sole satisfaction.
- (3) **Bidders are cautioned that the acceptance of their Quotation may preclude them from participating as a Bidder in subsequent projects where a conflict of interest may arise. The Bidder for this project may participate in subsequent/other City projects provided the Bidder has satisfied pre-qualification requirements of the City, if any, and in the opinion of the City, no conflict of interest would adversely affect the performance and successful completion of an agreement by the Bidder.**
